

PLEDGE TO VOTE PRO-WORKER

**Gina Hinojosa

**James Talarico
for Senate**

CWA'S PRO WORKER CHAMPIONS FOR TEXAS

CWA

Texas working people have a real choice this November. We can keep letting billionaires and corporate politicians call the shots, or we can **elect leaders who are CWA members** and will fight for the people who keep this state running.

CWA members have made our priorities clear: affordability, job security, better wages, and quality healthcare. We need leaders who will stand with working people and fight for those priorities.

CWA is proud to support Gina Hinojosa for Governor and James Talarico for U.S. Senate. They understand that Texas should work for working families, not just the wealthy and well connected.

I pledge to vote for CWA endorsed candidates and help turn out my union sisters and brothers.
